

BAND-MAID

e- sugoroku 26

Game of Chance
2 to 5 players
Ages 5 and up

Objective:

Each player must reach the BUDOKAN.

Contents:

- 1 game board
- 1 dice
- 5 game pieces
- 26 BAND-MAID tokens

Rules of the Game:

Movement:

- * On your turn, roll the die and move your piece forward or backward the corresponding number of spaces.
- * When moving, two things can happen:
 - * If you land on a space with a symbol, you follow the instructions for that symbol.
 - * If you land on a concert space, place a BAND-MAID token on that space and watch the corresponding music video.
- * If you roll a 5, move your token 5 spaces and get a second roll.

End of the Game:

To win, you must roll a number that equals or exceeds the exact number of points needed to land on the Budokan space. If the number rolled is higher than the required number, the token is placed on that space. The game ends when all members have reached the Budokan space AND BAND-MAID has visited every concert (indicated by placing a token).

Symbol spaces:

Roll again and choose to move forward (or backward) by the value of the first roll, the value of the second roll, or the sum of both.

Select any square adjacent to the target and move your piece there.

Wait for another piece to arrive before continuing. The second piece to arrive continues playing normally.

Place any piece of your choice on any square of your choice.

Return to the starting square.

Move backward for the next turn.

HAVE A GOOD TIME, PO!
